Pieces for Lahti International Poster Triennial exhibition selected

The pieces for the Lahti International Poster Triennial exhibition have now been selected!
The yield from the registration, which closed in December, was yet again excellent.

Some 2,500 posters from 51 different countries were registered. Scrutinising the posters was a pleasure, and the jury has now made its choices. This year, we decided to increase the size of the environmental poster series from the previous years, because Lahti is the European Green Capital 2021. Naturally, Lahti Poster Museum celebrates this important year through posters!

A total of 350 posters were selected for the exhibition.
The a complete list of the selevted exhibition pieces are on pages 2–13.

Sending the posters to Lahti

When you find your name on the list, please send your piece, as paper copies, to Lahti by the end of April this year:

1. Write your name, the poster's name in English, the year of design, and the category (A, B or C) on the back of the piece with a pencil.
2. Please send two copies of your poster(s) to Lahti. The posters should be of the same size you indicated at registration.
3. **Send your copies to the Lahti Poster Museum by 30 April 2021** using the following address:

Lahti Poster Museum
Hämeenkatu 26 A, 2. floor
FI-15111 Lahti
Finland

PLEASE FURNISH THE PACKAGE WITH THE LABEL: **PRINTED MATTER, NO COMMERCIAL VALUE.**

If you must indicate some value on the package, it should be 0 €.
